Since 1929

MarylandThoroughbred.com

In 2019, the Maryland Horse Breeders Association celebrated its 90th anniversary with a variety of events, including banners bearing the 90th Anniversary logo gracing streets in Towson (our original home), Bel Air and Havre de Grace.

Country Life Farm hosted the closing event in October with members, friends and MHBA staff.

For the May 11th Horse Farm Tour, more than a dozen farms in Baltimore, Carroll, Cecil, Frederick and Harford counties welcomed hundreds of people who took advantage of the chance to visit Maryland's horse farms.

MHBA was proud to be "Grand Marshal" of the 4th of July parade in Towson, with the help of Suttler Post Clydesdales.

At the "Bash", our traditional crabfeast the evening before the MHBA Annual Yearling Show, we invited members, exhibitors and friends. The History Timeline Exhibit was unveiled and Senator Mike Miller, our special guest of honor, was presented with The Tesio Award.

About Us

Since 1929, the Maryland Horse Breeders Association (MHBA) has been the leading horse industry advocate within the state of Maryland.

The MHBA functions as an informational resource for horse breeders and owners, the media, community and governmental organizations, and the general public.

As a service organization, the MHBA provides industry information, educational opportunities and legislative representation to its nearly 500 breeder-owner members, which include Thoroughbred breeders, owners of race horses, steeplechase and hunt enthusiasts, and others with horse involvement.

The main purposes of the MHBA have always been to encourage, promote, protect and improve the horse breeding industry in Maryland. While emphasis traditionally has been placed on the production of Thoroughbred race horses, the MHBA encourages all sports relating to the use of horses.

Spreading the word: Promoting and supporting Maryland's horse industry

Since 1936, the Maryland Horse Breeders Association has utilized publications as a means of promoting the horse industry and

encouraging horse breeding and participation in horse sports. The MHBA publishes *Mid-Atlantic Thoroughbred*, a full-color monthly magazine that covers racing and breeding in Maryland and throughout the region and helps reinforce Maryland's image as the pre-eminent breeding state on the East Coast.

In addition, the MHBA produces various posters, brochures and guides that educate the public about racing and breeding in Maryland, provides on-line databases of Thoroughbred farms and services and maintains an on-line Thoroughbred stallion roster.

The MHBA also maintains an extensive equine library. This non-lending library, with its collections of books, periodicals and videos, is open to MHBA members and to the general public.

In addition, the MHBA maintains several websites: MarylandThoroughbred.com, a resource for news and information on Maryland breeding and racing; MidAtlanticTB.com, which carries regional news, information on the magazine, and access to the digital edition of *Mid-Atlantic Thoroughbred*; and mdthoroughbredhalloffame.com which showcases full biographies of the Maryland-bred Hall of Fame horses. In addition to the websites, the MHBA maintains an active social media presence with our facebook page, MarylandThoroughbred, and twitter account, @MarylandTB.

What we do

The Maryland Fund was created by the General Assembly in 1962. Maryland was the first state to develop a legislated incentive program to encourage the improvement of Thoroughbred breeding and racing.

In Maryland, there are five categories through which monies for Maryland-breds are made available: 1) purse money for races for registered Maryland-breds; 2) awards for owners of registered Maryland-breds finishing first, second or third; 3) awards for breeders of registered Maryland-breds finishing first, second or third; 4) awards for stallions who sire registered Maryland-breds finishing first, second or third; and 5) bonus awards for the highest-earning 2 and 3-year-olds shown at the annual MHBA yearling show.

Currently, the Maryland Fund receives slightly less than 1 percent of the total mutuel handle and breakage from Laurel and Pimlico (the state's two major tracks), and receives approximately 1.5 percent of the mutuel handle and 5.0 percent of the breakage at Timonium (the state's only minor track).

Owner awards are paid by the purse account to the owners of all registered Maryland-breds when they finish first, second or third in any race other than stakes, paid at 30 percent of the horse's share of the purse. Percentage is determined by MTHA.

Breeder and stallion awards are paid for the registered Maryland-bred who finishes first, second or third in any race in Maryland. Breeder awards are 30 percent of a horse's share of the

purse; stallion awards are 10 percent. In stakes races the award is based on the first \$100,000 of the gross purse and pays 15 percent breeder, 5 percent stallion awards. Percentages are determined by the Maryland Racing Commission.

In order to earn a breeder award, the horse must be registered as a Maryland-bred. In order to earn a stallion award, the horse must be registered as a Maryland-bred, and the sire must be registered with the MHBA, in addition to having been standing in Maryland at the time the horse was conceived.

The Maryland Fund program is administered by the Maryland Racing Commission with the assistance and advice of the Maryland Fund Advisory Committee chaired by David Hayden, a member of the Maryland Racing Commission. Under the direction of the commission, the actual implementation of the fund, including maintaining the Maryland-bred registry and computing and distributing all bonus awards, is performed by the MHBA.

Breeder and stallion award percentages are evaluated on a bi-annual basis on the advice of the Maryland Fund Advisory Committee. Owner award percentages are determined by a separate agreement. (For Maryland Million day, breeder and stallion award percentages are determined annually.) Awards are paid as soon as practical.

The stakes program is planned on a meet by meet basis and is based on projected track handles for the coming year.

In calendar year 2019, the MBRF paid out \$439,000 in Restricted Purses or Race Premiums. In addition to the stakes program the MBRF breeder bonuses in 2019 were \$4,968,800, while owner bonuses totaled more than \$4,119,000 and stallion bonuses of approximately \$854,000. Owner bonuses are now being paid by the Maryland Thoroughbred Purse Account (MTPA). More information on MBRF is available in the March 2020 *Mid-Atlantic Thoroughbred* magazine, which is the 2019 Statistical Review issue.

The PAC solicits voluntary contributions from individuals or corporations to assist selected candidates for public office in the state of Maryland who are interested in the problems of our industry and are willing to help us solve those problems.

The largest market for horses bred in Maryland is horse racing, an industry that is closely regulated by state government. In addition, while not well understood, horse breeding is an especially important segment of Maryland agriculture. The economic well-being of racing and breeding is very much a function of the political process. It is essential to the health of our industry that we educate our elected officials and support those who work with us on issues vital to our interests.

Online forms for PAC contributions may be found on MarylandThoroughbred.com under the "About" tab and submit with payment through PayPal.

What we do

THE Maryland Horse Industry FOUNDATION

The Maryland Horse Industry Foundation (MHIF) was chartered in 1988 by the Maryland Horse Breeders Association (MHBA) to serve various educational and charitable needs of the Maryland horse industry. The MHIF supports a number of programs and is responsible for the maintenance and expansion of the Maryland Horse reference library. The MHIF is nonprofit and tax-exempt under Section 501(c)(3) of the Internal Revenue Code; contributions and gifts are fully tax-deductible to the extent allowed by law.

Maryland Thoroughbred Career Program

The Maryland Thoroughbred Career Program (MTCP), is an educational program launched in 2017 by the MHIF.

The MTCP aims to:

- Increase awareness of the diverse career options in the Thoroughbred industry.
- Give participants access to leaders in all facets of the Maryland Thoroughbred industry.
- Highlight various paths for pursuing a career in the Thoroughbred industry.
- Address a critical need to attract and retain experienced employees.

Over the course of several days, six participants are encouraged to fully engage in the Maryland Thoroughbred industry and explore a multitude of career options. Graduates of the MTCP are eligible to apply for Career Development Funds, one-time funding that can be used to further career pursuits within two years after their program ends.

Work Experience Program (WEP)

The WEP was launched in 2018 as a follow up to the MTCP. Highly qualified candidates are given the opportunity to gain real-life work experience in a field of their choice that may otherwise be difficult to obtain. The MHIF pays the wages of participants and also helps to cover housing expenses if necessary. The duration of externships can vary from two to eight weeks. This program is funded by a grant from the Thoroughbred Education Research Foundation.

Outreach

In addition to the MTCP and WEP, the MHIF works with other groups to create outreach opportunities that will expose the general public to the Maryland horse industry and the programs that the MHIF provides. Current outreach programs include the Egg Hunt on the Farm and Career Exploration Series.

Maryland Thoroughbred Hall of Fame

MARYLAND THOROUGHBRED HALL OF FAME

Established in 2013 by the Maryland Horse Breeders Association (MHBA) and the Maryland Racing Media Association (MRMA), our Maryland Thoroughbred Hall of Fame illuminates the accomplishments of Maryland-bred Thoroughbreds.

A committee consisting of journalists, breeders, owners and racing industry officials, representing a broad cross-section of the Maryland racing

and breeding industry, determined to enshrine 12 Maryland-bred horses for the inaugural class of 2013, and as many as two Thoroughbreds have been inducted each subsequent year by selection committee vote.

Though the MHBA has honored Maryland-bred champions annually, induction into this Hall of Fame is a distinct honor

for important Maryland-bred horses. The MTHOF serves as a repository of information about those horses that have brought positive attention to the heritage and industry in Maryland.

Since its inception, the Maryland Thoroughbred Hall of Fame inductions have been ceremonial in nature and commemorated virtually until the MHBA is able to establish a permanent facility in which to enshrine inductees.

A celebration of the inaugural class was held at Pimlico on May 11, 2013. Those in the first class were Broad Brush, Challedon, Cigar, Find, Gallorette, Jameela, Politely, Safely Kept, Twixt and Vertex and steeplechasers Elkridge and Jay Trump.

There have been two inductees each year since: 2014–Concern and Tuscalee; 2015–Awad and Little Bold John; 2016–Dave’s Friend and Kauai King; 2017–Deputed Testimony and Good Night Shirt; 2018–Caesar’s Wish and El Gran Senor; 2019–Social Outcast and Youth.

Records, photos and background on all the inductees are found on MdThoroughbredHallofFame.com.

Annual Maryland-Bred Yearling Show

The MHBA Yearling Show is open to all yearlings eligible for Maryland-bred registration. Usually held on the last Sunday in June, it is judged by a well-known national trainer or bloodstock agent invited by the Yearling Show Committee.

There are four classes. One for Maryland-sired colts and geldings, one for Maryland-sired fillies, out-of-state-sired colts and geldings, out-of-state-sired

fillies.

Most importantly, in addition to prize money distributed the day of the show, all horses exhibited are eligible for the Yearling Show Purse Awards, totaling \$40,000. There are two opportunities to win these purse awards:

- \$20,000 will go to the top four money-winners* racing as 2-year-olds and another
- \$20,000 will be awarded the following year to the four highest-earning* 3-year-old performers.

Executive Director's Report

It was 2019 and what a year it was—Maryland Horse Breeders Association's (MHBA) 90th anniversary! Ninety years—that makes the MHBA older than every other Thoroughbred Breed Association and most of the racetracks in the America. What did our founders see at that time when the country was facing “unprecedented times” with a stock market crash and no jobs to be had? How did they decide to invest in their passion when the future seemed precarious? Because of our longevity MHBA is fortunate to let history be our guide while looking to, and planning for, the future.

As MHBA looks forward to the next 90 years, how I wish I could have known those men, those confident MHBA Founders—Louis McLane Merryman, Janon Fisher Jr. and Dr. J. Fred Adams. But then I realize that I can because we can hear and see them even today in their families that are still in this intriguing business. The MHBA is lucky to have the bloodlines of our founders (along with many Maryland-bred horses) still here, still invested and believing in a sport that they love, as their forefathers did, enough to bet on the future every day.

Those Founders gave us a task, a mission “to promote, enhance and encourage the breeding, raising and racing of horses in Maryland” that continues to guide the MHBA. And as I said in my December 2019 editorial in the *Maryland Horse* after 90 years it is time to officially add education to our mission statement. MHBA has been educating for most of those decades but it should now be stated as a core value and tenet. Our members know what we do and why it is important but MHBA must make sure others do as well.

MHBA kicked off 2019 with a spring farm tour of Thoroughbred operations—13 farms in five counties in one day. More than 2,000 people took advantage of that opportunity to see behind the scenes on a horse farm. Sometimes they met their neighbors, sometimes they made new friends and most took lots of great pictures of scenic fields dotted with horses or new foals just learning how to gallop with their mom. For most it was an education—for the MHBA it was a personal connection.

In June, MHBA invited all our members, friends, and supporters to a special celebratory crab feast “Bash” at the Maryland State Fair grandstand before the annual yearling show. Unveiled at that event was a display of the history of the MHBA since the founding. These exhibition panels will keep us grounded. Now no one will forget the who, what, where, when and why of the MHBA.

MHBA, with help from Suttler's Post Clydesdales, was proud to be a “Grand Marshal” at the Towson 4th of July parade. What a sight the horses made to that annual celebration in the heart of Towson. There were anniversary banners on the light posts (just as there had been in Havre de Grace and Bel Air).

In October MHBA had a celebration “wrap party” at Country Life Farm in Bel Air. The evening with the Pons at the oldest family farm in Maryland was a fitting finale to cap off a year of reminiscing while making plans for the future.

In commemoration of the 90th anniversary MHBA used the motto “Horses are our legacy and our future” and for the MHBA that really sums it up.

MHBA appreciates the support of every one of our members, friends, politicians, breeders, owners, trainers, and advisors because we are all horse lovers. And that is why we do what we do. Thank you.

Financial Report

The Maryland Horse Breeders Association (MHBA) finished 2019/2020 fiscal year financially healthy.

MHBA saw an income increase in Maryland-bred registrations, as the Maryland-bred program increases in popularity. Expenses came in on budget.

The MHBA's surplus allowed MHBA to once again supplement Maryland Bred Purses, participate in the joint Industry Awards event and participate in additional public outreach and educational seminars.

After all expenses the Association has a tentative net income of \$12,091 for 2019/2020. Total assets are projected to be \$1,936,000 while liabilities are \$215,000.

Maryland Horse Breeders Association continues to administer the Maryland Bred Race Fund at the direction of the Maryland Racing Commission, to publish the nationally recognized *Mid-Atlantic Thoroughbred* magazine and works to promote and encourage breeding, raising and racing horses in Maryland.
