Dear Horsemen:

Welcome to Maryland Million Day!

We are proud to say that purses and nominator awards are more than \$1.7 million on Maryland Million Day. We will also offer other opportunities during the year for Maryland Million nominees.

Since the first running in 1986, the goal has always been to provide breeders and owners of Maryland-sired horses with odds favorable enough to put success within reach. So far, Maryland Million Ltd. has paid more than \$22 million in purses and nominator awards. In 236 races run to date, over 312 breeders and owners have won at least one race, and 125 stallions have had progeny finish in the top three.

We are proud of Maryland stallions and their progeny. They are the best in the region, and we will showcase them on Saturday, October 4th at Laurel Park. See you there!

MARYLAND RACING COMMISSION THOROUGHBRED MEDICATION

GUIDELINES TO MARYLAND BLEEDER RULE

- A. The administration of Lasix to a horse is permissible if:
- (1) The administration of Lasix is recommended by a practicing veterinarian;
 - (2) The recommendation is submitted to the State Veterinarian in writing; and
 - (3) The trainer declares the use of Lasix at the time of entry.
- A-1. The administration of the adjunct medications described in §I (1) of this regulation is permissible if there is compliance with all other sections of this regulation.
- B. A Commission veterinarian is responsible for maintaining up-to-date records of horses which are permitted to use Lasix, and these records shall be available for inspection during the hours of operation of a race track.
- C. If a horse has been observed by a Commission veterinarian to have bled from at least one nostril during the running of a race or workout, either on the racing strip or in the barn area, that horse may not be permitted to race for a period of 14 days.
- D. If a horse has been observed to have bled as described under §C of this regulation within 365 days of the first occurrence, that horse:
- (1) May not race for 30 days after the first reoccurrence;
 - (2) May not race for 180 days after the second reoccurrence; and
 - (3) Is banned from racing forever after the third reoccurrence.
- E. For the purpose of counting the number of days a horse is not permitted to race in this State under this section, the day the horse bled is the first day, and the horse shall be permitted to race in this State when the last day has expired.
- F. Race Day Administration of Lasix.
- (1) A horse scheduled to race that is permitted to use Lasix shall be administered Lasix by a veterinarian licensed by the Commission before the running of the race unless, under §G of this regulation, the horse has been declared off of Lasix by its owner or trainer.
 - (2) Post-Race Quantitation. As indicated by post-race quantitation, a horse may not carry in its body at the time of the running of a race more than 100 nanograms of Lasix per milliliter of plasma.
 - (3) Reports.
 - (a) The veterinarian who administers Lasix to a horse scheduled to race shall prepare a written certification indicating:
 - (i) That Lasix was administered; and
 - (ii) If applicable, each adjunct medication that was administered.
 - (b) The written certification shall be in the possession of a designated Commission representative at least 1 hour before the horse is scheduled to race.
 - (c) The stewards or judges shall order a horse scratched if the written certification is not received in a timely manner.

THOROUGHBRED MEDICATION RULES—continued

G. Racing Off of Lasix.

- (1) A horse on the Lasix Program that races without Lasix in any jurisdiction which permits the use of Lasix may not be eligible for its use for a period of 60 days.
- (2) To become eligible after 60 days, the horse shall have been observed to have bled by a Commission veterinarian either:
 - (a) Externally; or
 - (b) By endoscopic examination.

H. Program Notice.

- (1) Of the horses scheduled to race, the official program shall denote the horses which have been administered:
 - (a) Lasix;
 - (b) Lasix for the first time; and
 - (c) Lasix and one or more adjunct medications.
- (2) If the official program contains past performance lines, each past performance line shall indicate if the horse was administered:
 - (a) Lasix; or
 - (b) Lasix and an adjunct medication.

I. Adjunct Medications

- (1) The following medications may be administered to a horse in conjunction with Lasix:
 - (a) Aminocaproic acid;
 - (b) Tranexamic acid; and
 - (c) Carbazochrome.
- (2) If a horse is to receive one or more adjunct medications as described in §I(1) of this regulation:
 - (a) The trainer of the horse, at the time of entry, shall declare the use of adjunct medication; and
 - (b) The veterinarian who administers an adjunct medication shall report each specific adjunct medication administered on the same form used to report the administration of Lasix as required by §F(3) of this regulation.
